

# Meeting Agenda

## Meeting Purpose:

To discuss the allocation of “X” percentage of \$100-150 million towards training and accountability of police officers and licensure of social workers or otherwise regarding domestic violence.

## Agenda:

1. Brief introduction of myself as a member constituent
2. Identify the issue...
  - a. Domestic Violence v. Domestic Abuse
  - b. Segue into Adverse Childhood Experiences (*Most dangerous people are the most traumatized*)
    - i. Racial Trauma
    - ii. Community Trauma (unsafe neighborhoods produced by personality disordered community members)

## Robust solutions:

1. Lead on the issue by...
  - a. Introducing an initiative similar to the one you initiated re: legal representation during eviction
  - b. Proposing opportunities for police to learn from the DV community and batterer intervention professionals
2. Identify the key players and best practices...
  - a. LAPD (particularly Pacific Division)
    - i. Off-site, **standardized** training (not just during roll call) in *recognizing trauma; identifying domestic abuse and sexual abuse in children*; training on child custody and high-conflict personalities
    - ii. Training partnership between officers who arrive at domestic abuse calls and the social workers who address the interpersonal violence
  - b. Domestic Violence Council
    - i. Allocating money for stipends for stakeholders so that they have a hand in policy that actually works for them
    - ii. Integrating professionals who work with batterers and funding for more batterer intervention
